DATA ALERT

DA 2012-005

Correction Records

All correction records must be transmitted to your regional registry by Friday, May 18. All data items listed in CCR Volume II have undergone a mandated change in numbering system. As a result, the current numbering system for all data items will be converted to the new CCR numbering system with the Eureka conversion to CSv02.04. Registrars must submit their correction records before Eureka converts to the new numbering system.
